

WHO ARE WE?

Our **fully integrated classroom model** allows for increased appreciation and acceptance of individual differences.

It is designed to give medically fragile children **quality care** in the **least restrictive** environment possible.

Our environment is designed to be **inclusive** and **encouraging** for each child. Our dedicated staff will work with your family to ensure your concerns and priorities are valued in your child's daily activities.

CREATIVE DAY PROGRAM

PRESCRIBED PEDIATRIC EXTENDED CARE

ABOUT US

Launched in 2023, Creative Day is a Prescribed Pediatric Extended Care (PPEC) Center for Medicaid-eligible children with complex medical conditions. We offer services from 6 weeks to 21 years of age.

Creative Day PPEC provides an inclusive, comprehensive child development experience in collaboration with our traditional child development center, Creative Beginnings.

**ALL ABILITIES.
LIMITLESS POSSIBILITIES.**
